Chapter 1 by Delilah Draken

In darkness he came

Forgotten

Alone

Forever hidden

Never to see the light again

And full of pain

To see what once was

To feel what can never be

To fight against the past

To fear the future

He came to find what was lost

He came to look for his heart

He came

And went away

He fought for what was right

He believed in what he did

He was a warrior

Even if only for a lost cause

He lived on borrowed time

He followed a forbidden path

He fell in love

And the darkness let him fall

To see what can be done

To feel what has to be done

To fight for what is destiny

To fear his own soul

In darkness he came

In light he died

In darkness he lived

In light he fought

In darkness he came

Forgotten

Alone
Forever hidden
Never to see the light again
And full of pain
